

DANCE & CHEER 8+

STARTS THURSDAY 9TH MARCH 2017

The focus of this course will be to introduce **Cheerleading** as a dance format. It is great fun, and improves memory, co-ordination and confidence, and because they have to be synchronised, and work with floor patterns it really helps children learn team work. Also incorporated in the course is new dance choreography incorporating street dance, hip hop and general pop moves, to all the latest child friendly hits.
