

CHILDREN'S PRE-BALLET, PRIMARY BALLET & BALLET

Pointeworks Dance School is very pleased to be able to provide the ballet lessons at The Hungry Mind! Pointeworks is an affiliate of the prestigious Royal Academy of Dance.

Miss Mar will be teaching the lovely dancers. She started dancing at a young age, trying different styles until she found and fell in love with ballet. In Madrid Miss Mar trained at Karen Taft, the oldest studio in the city. She has continued ballet training in studios in London, New York, Paris, Copenhagen, and of course here in the Netherlands.

As a teacher Miss Mar has worked with pupils across all ages, from 2 years old all the way to vocational classes with adults. She prefers dynamic classes, with an interest in movement and scenic presence. Mar is looking forward to see your child at the barre!
