

## Girls and Boys Hockey at The Hungry Mind

This programme is offered at The Hungry Mind, for girls and boys in years 5 and 6 at ISH

The objectives at Hockey at The Hungry Mind is for children to be offered an opportunity to play hockey, in a fun and friendly environment, whether or not they have any previous hockey experience. Beginners and experienced players, alike, are all welcome!

The course will be taught by Ms Ana Margueirat, one of the ISH secondary PE teachers (and an ex-international hockey player).

For those who take part and enjoy the sport, there is then the chance to move onto one of the ISH/HDS teams when they reach year 7. HDS is a local hockey club and, for a number of years now, girls at ISH, from year 7 upwards, have had a chance to play for an ISH/HDS team in the local league. If there is sufficient interest from ISH boys, the school hopes to create a similar opportunity for them too.

The course will take place on the Astro Turf in front of the Hungry Mind Clubhouse, and run on Mondays from 15.15 until 16.30. The first course will start on Monday 1<sup>st</sup> November and will run until Monday 13<sup>th</sup> December (a total of seven weeks). The cost of the course will be €50.

To take part, all you need is sports clothing, a mouth guard and shin pads.
